

Kickin' Back has shipped over 27,000 pieces of soccer gear to Africa over the past 3 years. Now it's time to help at home.

Join us in our mission to help children in Texas by donating new and gently used soccer gear to be sent to families who lost everything due to Hurricane Harvey.

Deadline for donations is October 31.

For more information, visit www.kickinbackltd.org or www.facebook.com/kickinbackltd or contact Kieran at irishcoach@yahoo.com or 914-456-2640.

Kickin' Back is working to maximize the vast potential and need for sustained attention on adolescent children in under-served communities through the use of soccer as a tool for positive social and physical development.
